Milk Bowl Projects on The Boom In Gause

Two new Milk Bowl projects are in the discussion stage at Gause. One is the idea of a statue, 25 to 35 feet high of a boy football player that might be erected on the main street of the town. Money for materials, probably concrete, is available, and efforts are being made to engage the services of student sculptor at a Texas University on a volunteer basis.

The other project is the Milam County Boys' Ranch for underprivileged and homeless boys. One prospective donor has come forward with a donation of land near Gause. It is thought that at some stage in the history of the Bowl, the profits from the annual game could be used for the Ranch.

W. D. Bigbee Will Be Candidate For Commissioner Here

W .D. Bigbee, native of Cameron and widely known citizen, will be a candidate for the nomination for Commissioner of Precinct 2 in the coming July Democratic Primary.

Mr. Bigbee has reecived encouraging support from all sections of the precinct and was grateful for these manifestations of interest in his plans to seek this important office.

Mr. Bigbee's candidacy offers to the people of the precinct an unusual combination of ability since he is a registered Civil Engineer and has had some three decades or more of experience in road building, concrete and bridge construction. In his early experience as a road builder he was with the office of the construction Engineer A. F. Mitchell who is now a member of the State Highway Commission.

Mr. Bigbee said his formal announcement would appear in this and other newspapers in the precinct within a short time.

RUSH A. THOMAS RITES TO BE HELD SATURDAY

Rush A. Thomas, 66, widely known Cameron business man, died at King's Daughters Hospital in Temple, at 4:00 a. m. Friday, March 10, 1950.

Mr. Thomas had been ill for some time, recently entering a Dallas hospital for surgery. Upon his return to his home in Cameron he was convalsecing but his condition became more critical some ten days before his death. Mr. Thomas was best known for his operation of the George A. Thomas & Sons Drug Store in Cameron, established in 1890 by his father, the late George A. Thomas.

Following the death of the late George A. Thomas, in association with his borther, the late Monta Thomas, they took over this famous store and maintained it's services which has been a part of the moving scene and great progress that came to Central Texas and Cameron during the colorful half century and more that began with it's establishment 60 years ago.

The late George A. Thomas, father of the deceased was a native of England. He came to America and in time settled at Franklin in Robertson County. At that time Robertson County was pre-eminent in progress and development stemming from early Texas Colonial times. In the mean time Cameron established in 1846 was becoming the Commercial capital of a vast area of rich lands and settlement in Central Texas. Mr. Thomas moved with his family to Cameron in 1890.

Rush A. Thomas was born in Franklin, Robertson County, August 31, 1883. When a small child his parents moved to Waco where they lived until the deceased was seven years old. The family then settled in Cameron. The late George A. Thomas, then a widely known Pharmacist established the Drug Store here which has been in continuous operation since.

As a young man Mr. Thomas was influenced by examples set by his father and he determined to become a Druggist. In due time he graduated from the school of Pharmacy at the University of Texas, returned to his father's drug store where he became one of the best known prescription druggist in Texas.

Mr. Thomas along with his outstanding professional attainments posessed great foresight and as a successful business man visualized

(turn to page seven)

MORE COTTON ACREAGE; LESS POTATO SUPPORT

WASHINGTON, March 14—A Senate-House Conference Committee approved a compromise farm price support bill which adds about 1,200,000 to the 21,000,000 acres of cotton land previously eligible for price props.

The backers of tight potato marketing controls also won a partial victory over the revamped measure. ..

In addition to expanding the cotton land acreage the program adds about 100,000 acres of peanuts to the former total of 2,100,000; takes off the penalty for producing excess peanuts if they are turned over to the Government to be crushed for oil or other use; and knocks out a provision inserted by the Senate to allow planting of an extra 1,200,000 to 4,000,000 acres of wheat in Western dry lands.

The compromise still must go through both houses again before it can be sent to President Truman, and there is every prospect of a lively fight in both branches by forces whose favorite provisions were tampered with.

The formal report of the conferees had not been finally signed but all hands agreed that if those who voted for it in the conference hold their ground, it will be submitted to House and Senate. There was opposition still in the conference committee, but the representatives of each house vote as a unit and a majority of each committee voted "aye."

Representative Poage, Democrat of Texas, said the four Democrats of the House group—himself, Pace of Georgia, Cooley of North Carolina, and Grand of Alabama—voted for the agreement. He said Representative Hope, Republican of Kansas, voted for the cotton law changes but opposed taking out the added wheat acreage. The other two House Republicans, Anderson of Minnesota and Murray of Wisconsin, were absent.

The acreage changes are designed to meet hardships resulting from sharp cuts in price-supported acreage from the levels of war-time and immediate postwar years.

Under the new cotton rules no farmer may receive an acreage allotment less than 65 per cent of the average of his plantings in 1946-45, nor be cut to less than 45 per cent of the amount he planted in any one of those three years.

Lands planted to the so-called war crops such as grain sorghums will be regarded as having been planted to cotton.

The 65 per cent and 45 per cent limitations on cotton acreage cuts split the difference between House figures of 70 and 50 per cent, and a Senate formula of 60 and 40 per cent.

C. S. Raney Will Seek Re-election As Commissioner Prec. 1

C. S. Raney, Commissioner for Precinct 1, Milam County, will be a candidate for re-election to the July Democratic Primary, he announced today.

Mr. Raney is serving his second term in this office and friends over the precinct will be glad to know that he will seek re-election.

He has devoted his time to the duties of the office and the affairs of his precinct are in excellent shape His formal announcement will be printed in this newspaper and other papers in the precinct within a short time.

Former Masonic Grand Master Dies In Waco

WACO, March 14—Alva Bryan, Waco attorney and past grand master of the Masonic Grand Lodge of Texas, died today.

Bryan, 70, was enroute to a Waco hospital when he died. He had suffered a heart attack at his office.

He was a former Baylor trustee and had served as chairman of the board of trustees. He also was vice-president of the Baylor Stadium corporation and former chairman of the Baylor Athletic committee .

He became a Mason in 1902 and served as grand master of the Grand Lodge of Texas in 1932. He belonged to the Dallas Scottish Rite body, the Karem shrine in Waco and was a 33rd degree Mason and a member of the Knights of Constantine.

Heads New Firm

MALOY V. INGRAM

Mr. Ingram recently opened the Cameron Gas Equipment Company at 211 West 1st and reports that the formal opening here drew large crowds and that business has been good on sales of Servel Refrigerators and Gas Ranges.

BEEF TENDERS BELIEVED PART DALLAS SHIPMENT

AUSTIN, March 10 — The city health department disclosed Friday that 466 pounds of horse meat has been confiscated here.

The meat labeled "beef tenders," was found in the possession of a local wholesale meat distributor.

City Sanitation Chief H. E. Hargis said it was part of the large shipment which was distributed from Dallas.

Hargis said he believed most of the meat shipped here had been confiscated by his inspectors before it was shipped to retailers. City health inspectors picked up samples from all wholesalers Wednesday and sent them to the state laboratory for testing.

One of the tests showed a sample to be definitely horse meat, Hargis said.

The Austin wholesaler in possession of the meat, Hargis said, was "very co-operative." All his books were turned over to the city health department for further investigation.

Former Cameron Man Died In Navasota

William Stolz, 86, died at 2:00 p. m. Friday, March 10, at Brazos Valley Hospital. He was born in Germany and came to the United States when quite young. He was a monument dealer and had lived in Cameron for twenty-five years before coming to Navasota in 1923.

He is survived by one daughter, Miss Emmy Stolz of Anderson; four sons: William Stolz, Jr., of San Antonio, Carl H. Stolz of Dallas, Victor H. Stolz and Louis A. Stolz of Navasota; one sister, Mrs. B. Demuth of San Antonio; two brothers: Max Stolz of Albuquerque, New Mexico and Paul Stolz of Kansas City, Missouri; also four grandchildren.

Services were held in the chapel of the Lindley-Robertson Funeral Home at 3:00 p. m. Sunday, March 12 with Rev. Edwin Walthall, pastor of the First Presbyterian Church officiating.

Pallbearers were: Grover Mitchell, O. H. Moody, W. L. Shive, J. R. Bullock, H. B. Stoneham, Jr., and T. R. Brooks. Interment was in the Oakland Cemetery.

Shivers Signs Two More Bills

AUSTIN, March 13—Gov. Allan Shivers today signed two more bills passed by the recent special session of the legislature.

One was a bill by Senator Dorsey Hardeman of San Angelo authorizing a new state board of tuberculosis nurses examiners.

The other was a bill by Senator Keith Kelly of Fort Worth authorizing transfer of $15,000 between funds in the state adjustant general's department to permit payment of national guardsmen who participated in relief work during last year's flood at Fort Worth.

Mr. and Mrs. Boyd Chamberlain and daughter, Kay, of Texas City spent the week end visiting his parents, Mr. and Mrs. W. E. Chamberlain.

X-RAYS TO BEGIN MARCH 17

BILL McINTOSH NEW C C PRESIDENT

1950 RED CROSS FUNDS LAG

CIVIC ORGANIZATIONS DONATE TO X-RAY UNIT

The TB X-Ray Unit to be in Cameron March 17, 18 and 21 through the 25th is free and is paid for by taxes. The unit itself and all expenses incurred in bringing it here is absolutely free to the community, says L .G. Smith, City Chairman of the Survey, but there are some incidental expenses, such as advertising, that must be paid for by the community. For this reason, all of the social, civic and fraternal organizations in the city have been asked to donate $3.00 or more to take care of these expenses.

All money not used this year will be set up in a permanent fund to be used next year, since the Survey will be a permanent annual affair in Cameron. Response, so far, from organizations throughout the city has been good, and those donating so far are as follows:

Delphian Club,	$3.00
Pecan Grove, W. O. W.	3.00
Disabled American Veterans	5.00
Odd Fellows Lodge	3.00
Civic Garden Club	3.00
Business & Professional Women's Club	5.00

Ed Gunn Will Be Candidate For New Term In Office

Ed Gunn, County Attorney, will be a candidate for re-election by seeking the nomination in the July Democratic Primary.

Mr. Gunn said that his formal announcement would be published in this newspaper and other papers in the county within a short time.

Mr. Gunn has been serving as County Attorney for the past term and his record, recently reviewed in this newspaper discloses that he has been very successful in bringing about convictions.

Mr. Gunn said he had received many pledges of support and that cooperation among the people had been largely responsible for the good record he has made.

Thorndale Man To Serve Prison Term For Cattle Theft

Joe Sheppard, Sr., of Thorndale must serve a three year term in Texas Prison for cattle theft.

The court of Criminal Appeals at Austin affirmed the verdict of a jury in District Court here. He was tried in September 1949 and upon conviction appealed his case.

The mandate of Court of Criminal Appeals affirmed the case has been received here and Sheppard has been taken to the penitentiary at Huntsville.

Texas Loses Its Tidelands Plea

Texas lost its plea before the U. S. Supreme Court for a delay in the tidelands suit.

The high court announced in Washington that it will call for arguments Monday, March 27, in the Government's suits claiming tidelands off the coasts of both Texas and Louisiana.

Texas' Attorney General Price Dandiel had asked the court last week to put off the argument in the claim against Texas until after May 1 to permit further consultation between top-flight special attorneys who have recently joined the Texas fight.

Lions Club of Cameron Hear Talk on Cancer

Dr. J. L. Walker discussed cancer at the regular meeting of the Cameron Lions club at the Milam coffee shop Tuesday.

L. Van Perkins was in charge of the meeting and introduced the speaker.

CHAMBER OF COMMERCE INSTALLS PRESIDENT

W. L. McIntosh was installed as new president, and eight new directors took office, at the annual Cameron Chamber of Commerce banquet Tuesday night.

The new directors are N. L. Caperton, Dr. George Bowman, Woodrow Lowe, Lester Williams, Albert Collins, W. F. Sharpe, Earl Curtis and J. Max Howard.

Praising the work accomplished by the CC in 1949, Mr. McIntosh said that the organization plans a still larger program in 1950, and called on the members for their full cooperation in developing it.

Outgoing President J. C. Andres thanked the membership for its activity during 1949, said that the CC listed 32 projects on its "accomplished" list for the year, of which he stressed the armory project, highway improvement and the farm program.

John B. Honts, Fort Worth attorney, the main speaker, urged his listeners to "take inventory" of themselves and their community.

"Communities the size of Cameron govern the destiny of America," he said. "The cities don't count when the rural areas and the small communities are together. Cameron has a great past and heritage, but you can't live in the past . . . Don't put a damper on the spirit of youth in your community!

The invocation was by Rev. James McKeown. Miss Shirley Horstmann sang, and CC Manager L. G. Smith introduced the new directors. Dinner was served by the ladies society of the First Methodist Church.

Tiniest Baby On Record Here Is Making Progress

Cameron's tiniest baby is faring well despite the handicaps of premature birth.

She is Frances Freeman, colored, born February 5, at the home of her parents.

She weighed 2 pounds and 11 ounces and at the lowest ebb in her little life she weighed 2 pounds and four ounces. Now she weighs 2 pounds and 15 ounces and is taking her bottle like a veteran.

This baby was delivered by Dr. T. E. Crump and brought to Newton Memorial Hospital where it was placed in a special incubator which maintains a constant regulated moist heat. Dr. David Shapiro said the baby is the smallest on record at the hospital.

Nurses have named her "Inky" and she has been the object of special care since birth otherwise she could not have survived. The baby is never taken from the incubator except to be weighed. She lives in a regulated atmosphere and must weigh five pounds before she will be given over to the care of the parents.

Parents of the baby are students at O. J. Thomas High School, the mother being 16 and the father 18 years old.

The baby is strictly a charity patient.

Groundbreaking For Rosebud Church

Dr. S. Stephen McKinney of Houston, who was pastor of the First Methodist church in 1910 and 1911 will be the principal speaker at the new church groundbreaking service 3 p. m. Tuesday. Dr. McKinney was pastor of the church when the building that was destroyed by fire Feb. 2, 1949, was erected.

Rev. Donald R. Box said all pastors and churchmen of the surrounding territory have been invited for the worship services.

The ground where the building will be erected has already been graded and staked. All preparations have been made for the erection of the building, which will cost about $70,000.

RED CROSS DONATIONS FAR BELOW AVERAGE

Gene Blake, Milam County Fund Chairman of the Red Cross Drive, reports that the solicitations to date is falling below solicitations made to date this time last year. On March 15, 1949, $889.99 had been collected. The following communities have completed their drives for the 1950 fund:

1. Burlington, $119.25, $19.25 over quota.

2. Yarrellton, $40.00, $10.00 over quota.

3. Clarkston, $47.50.

Albert Collins, Chairman of special solicitations, has not yet made a report .

Not all of the District Chairmen and Collectors have made a report, so in order to get an accurate figure, all district fund chairmen and collectors are urged to get in their totals at once, so that an accurate figure may be given and a rise in temperature shown on the thermometer on the court house lawn.

Here are some of the many reasons why you should give to the Red Cross. Through field workers stationed with troops wherever they may be in this country or overseas and through the national network of Red Cross chapters, American Red Cross Services to the Armed Forces help servicemen in the solution of personal and family problems that affect their morale and efficiency or that cause their families anxiety. In military hospitals, in addition, medically approved Red Cross recreation programs help speed the recovery of thousands of patients.

Included in these services to the Armed Forces are emergency communications concerning servicemen and their families, consultation and guidance, health and welfare reports, verification of the need for emergency leave, financial assistance in emergencies, information regarding government benefits and assistance in applying for them, and supplementary recreation.

"An urgent appeal is being made", says Mr. Blake "so do your part toward helping the Red Cross carry on their good work. Nothing can be done without your assistance, and since an appeal is made only once a year, make your donation now, however small it may be".

Womack Brashear To Seek Re-Election

Womack Brashear announced today that he will be a candidate for Justice of Peace for Precinct 1, subject to the July Democratic Primary.

Mr. Brashear recently resigned the office due to ill health but is now improved and will be able to make the campaign and return to duty when he is elected.

The office is now being filled by appointment of Thomas Brashear, son of Womack Brashear.

Mr. Brashear said that his formal announcement would be published in this newspaper within a short time.

Texas Committee Of Cotton Congress To Meet in Dallas

Members of the statewide Cotton Committee of Texas will meet in Dallas March 18 to plan the eleventh annual Cotton Research Congress.

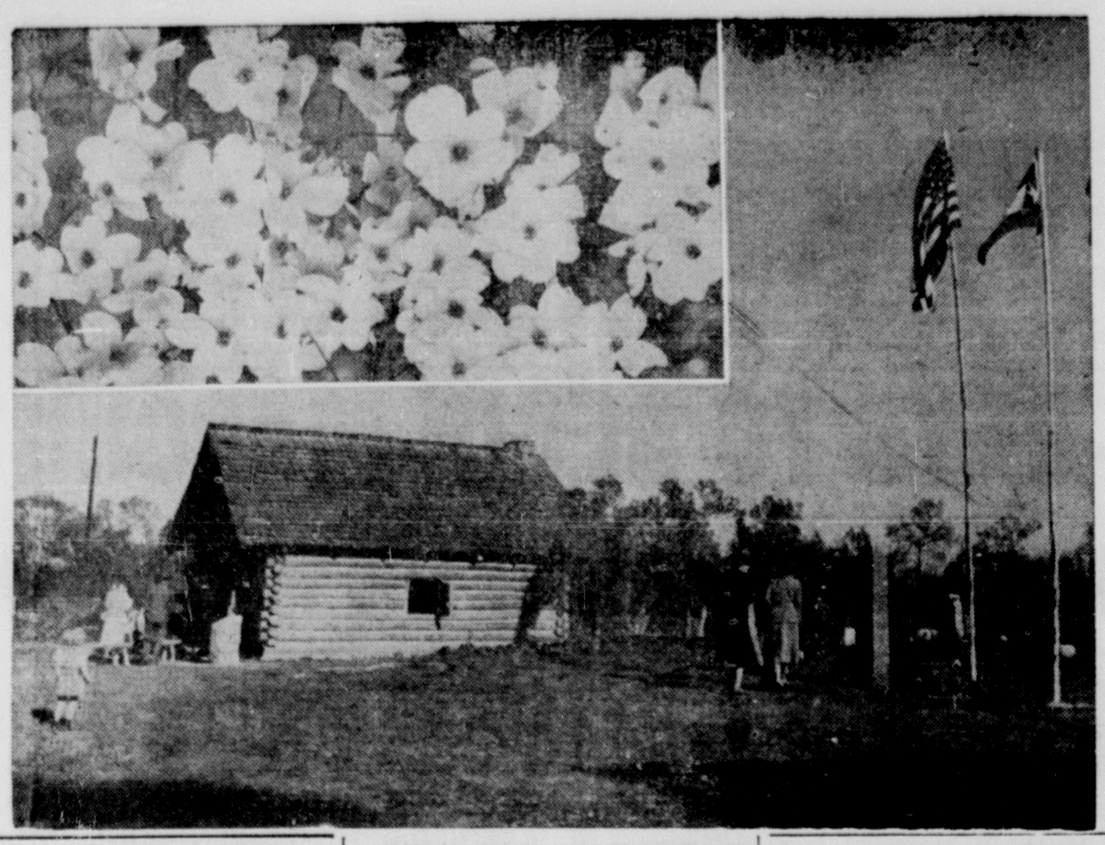
The announcement was made by Burris C. Jackson, Hillsboro, general chairman.

The congress will be held at the Baker Hotel in Dallas, July 26-28.

Leaders from cotton growing states and several foreign countries are expected to attend.

"This annual discussion of cotton research and developments has become a national institution attracting world attention," Jackson said.

"The congress is dedicated to intelligent and careful analysis of cotton's problems."



TEXAS' OLDEST PROTESTANT CHURCH—This replica of the log Pilgrim Church, near Elkhart in Anderson County, is an added attraction of Texas Dogwood Trails at Palestine. Church members of the Baptist Church, the oldest protestant church in Texas, will serve gingerbread and coffee to Dogwood Trails visitors on Sundays during the trails. The Dogwood Trails at Palestine open March 15.

RUSH A. THOMAS RITES HELD HERE SATURDAY

Funeral services for Rush A. Thomas, 66, who died in a Temple Hospital at 4 a. m. Friday, March 10 were to be held at 3 p. m. Saturday, March 11 at the family residence.

Rev. John Mills, District Supérintendent, Methodist Church, of Nacogdoches, will conduct the services. He was former pastor of First Methodist Church in Cameron. The Marek-Burns Funeral Home will direct arrangements and Interment will be made in Oak Hill Cemetery.

Mr. Thomas has been a resident of Cameron for 59 years and was the son of the late, George A. Thomas, pioneer druggist. As a young man he graduated from the school of pharmacy at the University of Texas, and had been at the prescription counter of this famous store for many years. In addition to his profession he was a large land owner and also a director in Citizens National Bank.

Active pallbearers will be: H. B. Pressley, Edgar Ditto, Elwood Chamberlain, H. H. Stedman, Aubrey Hightower, Niley Smith, Sr., Charlie McDermott and Jim Majors.

Honorary pallbearers will be: W. O. Newton, Gus Evans, Sr., Dr. J. S. Hubert, Andy Vogelsang, Hilton Culpepper, Dr. Jim Watson, Roy Baskin, Joe Meir, Sam McDermott, Joe Denson, Guy Chandler, M. G. Cox, Fritz Fahrendorf, Dr. C. G .Swift, B. F. Bonds, Dr. T. E. Crump, Will Vaughan, C. D. Adams, Dave Wilson. L. T. Lewis, Ed Angell and Hubert Atkinson .

The following men from First Methodist Church who attended the meeting for church school workers in the young adult division in Navasota Thursday night were: A. W. McCullin, George Bowman, Carroll Green, Dwight Moody and the pastor, Rev. Lee Lemons. Leo Rippy from the general board was the speaker.

Monroe Marek of Navasota spent the past week end with his parents, Mr. and Mrs. J. C. Marek. Mr. Marek is employed with The Examiner Review in Navasota .

CITY MOVES TO BUY WATER WORKS HERE

Cameron's water system, owned by the Community Public Service is being offered for sale to the city of Cameron.

The City Council has agreed to pay $300,000.00 for the system. Payment would be made with revenue bearing bonds bearing interest at the rate of 2.648 per cent.

The Council has instructed that an election be called for April 18 for the people to authorize the issuance of these bonds.

Revenue bearing bonds are paid off out of revenues from the plant and no tax money is required.

The city would have thirty years in which to liquidate this obligation.

Mayor Griffith was out of the City and could not be contacted and the information was obtained from the records of W. H. Stafford, City Secretary.

L. W. Smith, manager of the water company could not give a figure on the net earnings of the plant but said the gross was around $50,000 a year. The city would retire the principal at the rate of $10,000 per year and the Council had satisfied it's self that the revenues from the plant would retire these bonds and interest, provide maintenance and leave a profit.

MILK BOWL GETS PRAISE FROM WILL ROGERS, JR.

Will Rogers, Jr., a son of the late world-famous Oklahoma cowboy philosopher, now a resident of Beverly Hills, California, praised The Milk Bowl in a letter sent to the Board of Directors. "I think", said Rogers, "that the Milk Bowl program is a very fine thing, which should be encouraged. The Bowl teaches sportsmanship, and thus strengthens our country."

Mrs. Don Slocomb of Houston visited friends and relatives here this week.

Bassel Wilson of the Wilson Produce Company here is a medical patient in Scott and White Hospital in Temple. His many friends wish him a speedy recovery.

Altar Society Holds Meeting At Burlington

The St. Michael's Altar Society met on Wednesday, March 8 in the Auditorium of the Parachial School in Burlington.

The meeting opened with a prayer followed by "A thought for the week" read by Mrs. Walter Kalfus. Short stories were read by the following ladies; Mrs. Jake Futschik, Mrs. Gus Kalfus, Mrs. Henry Litzman and Mrs. Bill McSherry.

A very interesting talk was given by Rev. M. O'Regan, a thought for the day by Mrs. Rudy Wunsch and a reading on The Lord's Prayer by Mrs. Ray Schoenheft and Mrs. Dan Driscoll.

Mrs. Schoenhaeft was elected reporter to the N. C. C. W. for the St. Michael's Altar Society .

The sooner TB is discovered and treament is begun, the better are the chances of recovery. Play safe—Get your chest X-rayed.

DISCRIMINATION RULED OUT IN SCHOOL AID

WASHINGTON, March 9 — The house labor committee decided that if it authorizes any federal aid to schools, there must be no racial discrimination in distributing the money.

It is not at all certain, however, that the committee is going to approve any aid mill. A bitter argument has been raging since last year over whether parochial and private schools should be allowed to share in some of the projected benefits, such as bus service for pupils.

The committee is working over a senate-approved bill authorizing $300,000,000 a year in federal help but leaving it up to the states to say what schools get the money.

By a vote of 10 to 5, the committee adopted an amendment by Rep. Powell (D-NY) which would do three things:

1. Prohibit racial discrimination by requiring that federal aid be apportioned at the school rather than the dstrict level, meaning that all pupils would share alike.

2. Give about 19 "needy" states—principally in the south—enough federal aid to bring the average total expenditure up to a minimum of $60 a year per pupil.

3. Provide non-needy states with federal aid amounting to $5 per pupil a year, so apportioned that all districts must be brought up to a minimum outlay of $100 per pupil per year.

Mr. and Mrs. L. C. Angell and son Bennie of Houston were guests of Mr. Angell's parents, Mr. and Mrs. Frank Angell Saturday and Saturday night.

Mrs. Kathleen Land and son, Kelso Alphonse Matocha, son of Mr. and Mrs. B. J. Matocha of Cameron is on the honor roll at the University of New Mexico. He is a senior pharmacy student at the University.

First Baptist Church Class Enjoys Meeting

Homemakers class of First Baptist Church met with Miss Alice McGehee last Thursday afternoon with the president, Mrs. W. C. Ford presiding. Mrs. Dan Gunn gave the devotional and prayer was offered by Mrs. W. M. Fanning.

After the business session a discussion was enjoyed on the subject of "How to build a better class".

During the social hour refreshments were served to twelve ladies. Mrs. I. N. West is reporter for the class.

G. R. Varner of Gause was a welcomed visitor here one day this week.

From where I sit ... by Joe Marsh
Handy and Easy Are Both Wrong
Handy Peterson and Easy Roberts got in quite an argument the other day over at Fred's Garage talking about the best spot to fish up at Green Lake.
"Opposite the old sawmill is the best spot," says Handy. But Easy "pooh-pooh's" him. "I've seen the biggest fish caught off Cedar Point," says Easy. "I've been catching them there for years."
Then Fred goes into his office and brings out the biggest mounted rainbow trout you ever saw. "Bet that was caught at the sawmill," comments Handy. "Cedar Point," says Easy. "Well," says Fred, "you're *both* wrong. I caught this baby right out in the middle!"
From where I sit, there are always two (or more) sides to every story. Let's live and let live in the true American tradition of toleration. Your opinion is worth a lot, but so is the other fellow's—whether it's on politics, the best fishing spots, or whether he likes a temperate glass of beer and you like buttermilk.

Signing Set Monday For Hospital Bill

Governor Shivers announced Wednesday that he will sign into law a $20,612,128 appropriation for state hospitals and special schools next Monday.

The measure was passed by the recent special session of the Legislature to feed and clothe state wards and to maintain their quarters for the next year and a half.

Funds to meet the appropriation were made available by passage of an increased omnibus tax and a one-cent extra cigaret tax. It was necessary because the late Gov. Beauford Jester vetoed the state hospital appropriation for the next fiscal year, because he felt it was inadequate.

The date March 13 was selected by Governor Shivers for the signing of the bill to coincide with a scheduled meeting of the Board for State Hospitals and Special Schools.

A number of persons, other than board members, who were interested in the state hospital program individually or as representatives of organizations, also have been invited to attend the ceremony.

MIDLAND HALL—Architect's drawing of Midland Hall, a $50,000 addition to the seven building plant of the Gonzales Warm Springs Foundation for Crippled Children. Funds for the new building, a one-story fireproof Spanish-type structure, were donated by seven residents of Midland: Mrs. Ruth Scharbauer, Clarence Scharbauer, Jr., O. C. Harper, Ralph Lowe, R. B. Cowden, John Y. Francis and J. P. Gibbins. Midland Hall will be located adjacent to a new kitchen and dining hall also scheduled to be erected at the Gonzales institution. Midland Hall will be used as a reception, recreation and entertainment center.

New Life! New Hope!

You know the true meaning of Easter! And some crippled kid is praying you'll find it in your heart to help him start a new life.

Your Easter Seal gift helps pay for medical care and the special training handicapped youngsters need to grow up to be useful, happy citizens.

Sure they want to throw away those crutches. They are trying to help themselves.

Lend a Hand, Won't You?

Easter Seal Campaign

Railway Express Rate Hike Okehed

Railway Express Agency today won Government approval for a 10 per cent increase in its rates for shipments of general merchanidise, food and other perishables.

Officials said it will add about $25,000,000 a year to the public's express bill.

The Interstate Commerce Commission authorized the agency to put the higher rates into effect on 30 days' notice to the public.

Newspapers and other printed matter were specifically excluded from the increase.

The agency, jointly owned by 68 railroads, applied for the increase several months ago.

Miss Elda Smith, daughter of Mr. and Mrs. Hugh Smith, who is employed with the Western Union and has been at Baytown has accepted a position as manager of the Western Union office in Navasota.

TEMPER

When I have lost my temper I have lost my reason, too .

I'm never proud of anything which angrily I do,

When I have talked in anger and my cheeks were flaming red,

I have always uttered something which I wish I hadn't said.

In anger I have never done a kindly deed or wise,

But many things for which I felt I should apologize.

In looking back across my life, and all I've lost or made.

I can't recall a single time when fury ever paid.

So I struggle to be patient, for I've reached a wiser age;

I do not want to do a thing or speak a word in rage .

I have learned by sad experience that when my temper flies,

I never do a worthy thing, a decent deed or wise.

CEN-TEXAS SCHOOLS GIVEN FEDERAL FUNDS

WASHINGTON, March 13—Killeen schools will get $44,393 and Belton schools $7,198 from the federal government for maintenance and operation, Rep. W. R. (Bob) Poage announced here today.

Funds are allotted to assist the school districts in the education of additional school children brought to the area by the reason of military programs.

In Belton tonight School Supt. Claude H. Thompson said that the grant to the Belton school district was below what had been asked for, but that it would "certainly help" in taking care of children of military families within the district.

Supt. Lee Peebles of Killeen said that the $44,393 allotment was slightly below expectations but that it would "help us a whole lot."

He said that funds will be used for additional teachers and for equipping classrooms for the extra school load resulting from Camp Hood. He pointed out that before Camp Hood was established, about 22 teachers were necessary. Now some 45 are on the faculty. Enrollment has also doubled, he said.

The federal funds are confined to maintenance and operation, Mr. Peebles said, and can not be used for a building or expansion program.

Mrs. Robert M. Tynes, formerly Minnie Nell Williams of Cameron and her two children, Barbara La Nell and James Robert have been visiting relatives here this week. Sgt. 1st class Tynes is serving as Signal Maintainance Chief for the 3rd Inf. Div. now stationed at Ft. Benning, Ga. He is now participating in the Portex maneuvers now being staged in Puerto Rico. Mrs. Tynes plans to return to their home in Columbus, Ga. the last of this month.

Mr. and Mrs. Charlie Brown of Brady vsited relatives and friends here over the week end.

Mrs. Minnie Nell Hines and son and daughter of Columbus, Georgia are visiting Mr. and Mrs. W. E. Penney and Mrs. Mabelle Williams here this week.

Mrs. Sallye Ditto and son Robert Hood of Waco visited her father, R. H. Fisher here the past week end.

Veterans Who Qualify May Take Farm Training

Dr. George T. McMahan, Manager of the Veterans Administration Center, Waco, Texas, has announced that he has today reveived information from Veterans Administration Central Office, Washington 25, D. C. to the effect that a fourth-year course of institutional on-the-farm training will be allowed for eligible veterans who qualify for the course within the terms of Public Law 377 and who meet the standards established by the State Approval Agency of the State of Texas.

E. H. Coffield, Distributor of Gulf oils is confined to his home with flu.

Jerry Lanicek, student at SMU in Dallas visited his parents and other relatives here the past week end.

KNIGHTS OF COLUMBUS HOLD INITATION HERE

On Sunday, March 12, The Knights of Columbus, Cameron Council No. 2338, held an initation in their new hall west of Cameron. The day was begun at 8 o'clock with 93 members and 32 candidates attending Mass and receiving Holy Communion in a body at St. Monica's parish, the Mass being said by Rev. George Duda. Following the Mass a breakfast was served at the K. of C. Hall.

At 10 o'clock the exemplification of the First Degree began, and was followed at 1:30 by the Second and Third Degrees. Following the degree work a sausage supper was served to the candidates and members.

Present were the following dignitaries of the Knights of Columbus: R. Conroy Scoggins, State Deputy from Houston; J. C. Farmer, Past State Warden from Waco; and Fred Joseph, Past District Deputy from Taylor. Other visitors from Waco, Bryan, Taylor, and Camp Hood were also present.

Billy Baggerly, Charles Tindall, Leo Kastiha and Edward Tindall attended the Hot Rod races in Houston over the week end.

Mrs. Haynes Parker and son, Johnny of Corpus Christi visited in the home of Mrs. Earl C. McFarland one day this week .

Mrs. P. A. Wenck of Hearne was a welcomed Cameron visitor one day this week.

22% LESS FUEL

27% MORE LAND PLOWED

FERGUSON WINS

FUEL ECONOMY CONTEST!

Further proof of the unusual power efficiency of the Ferguson Tractor is now available in the officially tabulated results of the Milo, Iowa, Fuel Economy Contest. Sponsored by Warren County 4-H Clubs with *farmer-owned, farmer-operated* equipment, the contest was conducted with the assistance of Extension Engineers from Iowa State College.

Official results established by the Ferguson Tractor show:

- *22 Per cent less fuel* consumed than the average amount consumed by 10 competing tractors.
- *27 Per cent more land plowed* than the average acreage plowed by 10 competing tractors using the same amount of fuel.

These results, too, continue to pile up factual, authentic proof of the *Fuel-saving*, money-saving ability of the Ferguson Tractor!

Come in—see the Official Chart. Ask for a demonstration on your own farm

ACREAGE MEASUREMENT SERVICE IS AVAILABLE

Milam County cotton growers can arrange for official measurement of their 1950 farm cotton-acreage allotments prior to planting time, the County Production and Marketing Administration Committee announced this week.

To get the premeasurement service, which is being provided on a cost basis, a cotton farmer must file a written request with the county PMA office prior to Thursday, March 23, 1950, says Mr. Paul C. Graves, Chairman of Milam County PMA Committee.

Since there will be a charge for this service, the producer will be required to pay the cost at the time request is made for premeasurement service. "The premeasurement is purely optional," says Mr. Graves, "and is offered as a service to growers who prefer to have the acreage to be planted to cotton measured before planting."

The Chairman explains that all cotton acreage in the county will be measured as soon as possible after the cotton "comes up" to determine compliance with the acreage allotment-marketing quota program. For further information contact the Milam County PMA Office .

Door To Close On Many Vet Land Applications

AUSTIN, March 13 —Land Commissioner Bascom Giles announced that after March 18 the door will be closed on all but "conditional" applications under the veterans land program.

He said there already were enough applications on hand to dry up the $25,000,000 program if all were approved by the veterans land board and there were no voluntary withdrawals.

By conditional applications, Giles said "we mean that we want both seller and applicant to understand that we cannot assure them money will be available to complete their transaction."

Temporarily, the land commissioner announced, the program is without money to make purchases because the $5,000,000 gained by the sale of bonds last October has been spent.

The board will offer $10,000,000 more in bonds for sale on March 21 and resumption of purchases is expected by April 15.

7-Step Cotton Program To Be Emphasized More

The south-wide 7-step cotton program, because of the reduction in cotton acreage, will receive even more consideration than in the past, says Fred C. Elliott, extension cotton work specialist of Texas A&M college. The reduced acreage, he says, means a greater concentration on better methods for greater production from fewer acres, for now, it will be the efficient producer who will continue to make a profit from his cotton operations.

The seven steps include: fitting cotton into balanced farming; taking care of the soil; using the best variety; making your labor count; controlling insect and diseases; picking and ginning for high grade and selling for grade, staple and varietal value. Basically, says Elliott, this is just a good farming program that individual farmers can carry out on their own farm. It is not new but it does emphasize the basic practices and methods that can lead to greater and cheaper production per farm and at the same time the soil can be improved and built up.

Week end guests in the home of Mr. and Mrs. J. L. Slaughter were Fred Harvey Gandy, Mrs. Mary Elizabeth Westgate, Mr. and Mrs. Lee Hawkins and Edward Gandy all of Houston.

GET THE "INSIDE STORY"!

There's an "inside story" of vital importance to every man and woman . . . the story of TB. You owe it to yourself and your family to have your chest X-rayed and get that story, for only through X-ray can the destructive effects of TB be seen long before the disease itself shows any warning symptoms.

TB is easier to cure when caught early. Why take chances?

31 Texas Counties To Have Access To U. S. Crop Insurance

Thirty-one Texas counties will have access to the Federal Crop Insurance Corporation program, Senator Connally, Democrat, Texas, announced.

Connally said Tuesday that the so-called multiple crop insurance will be available only in Johnson County.

The cotton crop insurance will be available in 20 counties and the wheat insurance in 14; four counties will have both cotton and wheat insurance programs. They are:

Cotton: Lubbock, Taylor, Runnels, Williamson, Burleson, Bell, Milam, Falls, McLennan, Hill, Navarro, Ellis, Collin, Rockwall, Hunt, Grayson, Fannin, Lamar, Delta and Red River.

Wheat: Deaf Smith, Castro, Swisher, Hale, Floyd, Childress, Knox, Stonewall, Jones, Taylor, Runnels, Denton, Collin and Grayson.

Taylor, Runnels, Collin and Grayson will have both cotton and wheat insurance.

"Easter Seal Parade of Stars" will be heard, from 2:30 to 3:00 p. m. EST, Sunday, March 12.

CONTINUANCE ASKED OF VET FARM TRAINING

WASHINGTON, March 9—Most of Texas' congressional delegation threw its weight Thursday behind protests against abandonment of fourth-year agricultural vocational training for veterans in Texas.

A large group from the Lone Star State called at the Veterans Administration where they met with Assistant Administrator H. V. Stirling.

B. C. Davis of Austin, of the State Board of Vocational Education, declared abandoning the program prevents thousands of veterans from learning advanced agricultural methods. He said that since Jan. 14 no more veterans have been permitted to enroll in fourth-year courses.

Other members of the delegation included Representatives Lyle, Pickett, Thornberry, Patman and Burleson, aides of Senator Lyndon Johnson and Representative Poage and Teague, and Glenn Flewharty of Bonham, coordinator of agricultural schools in Fannin County.

Stirling told them their protests would receive consideration.

Shack Shaffer transacted business in Waco Tuesday of the past week.

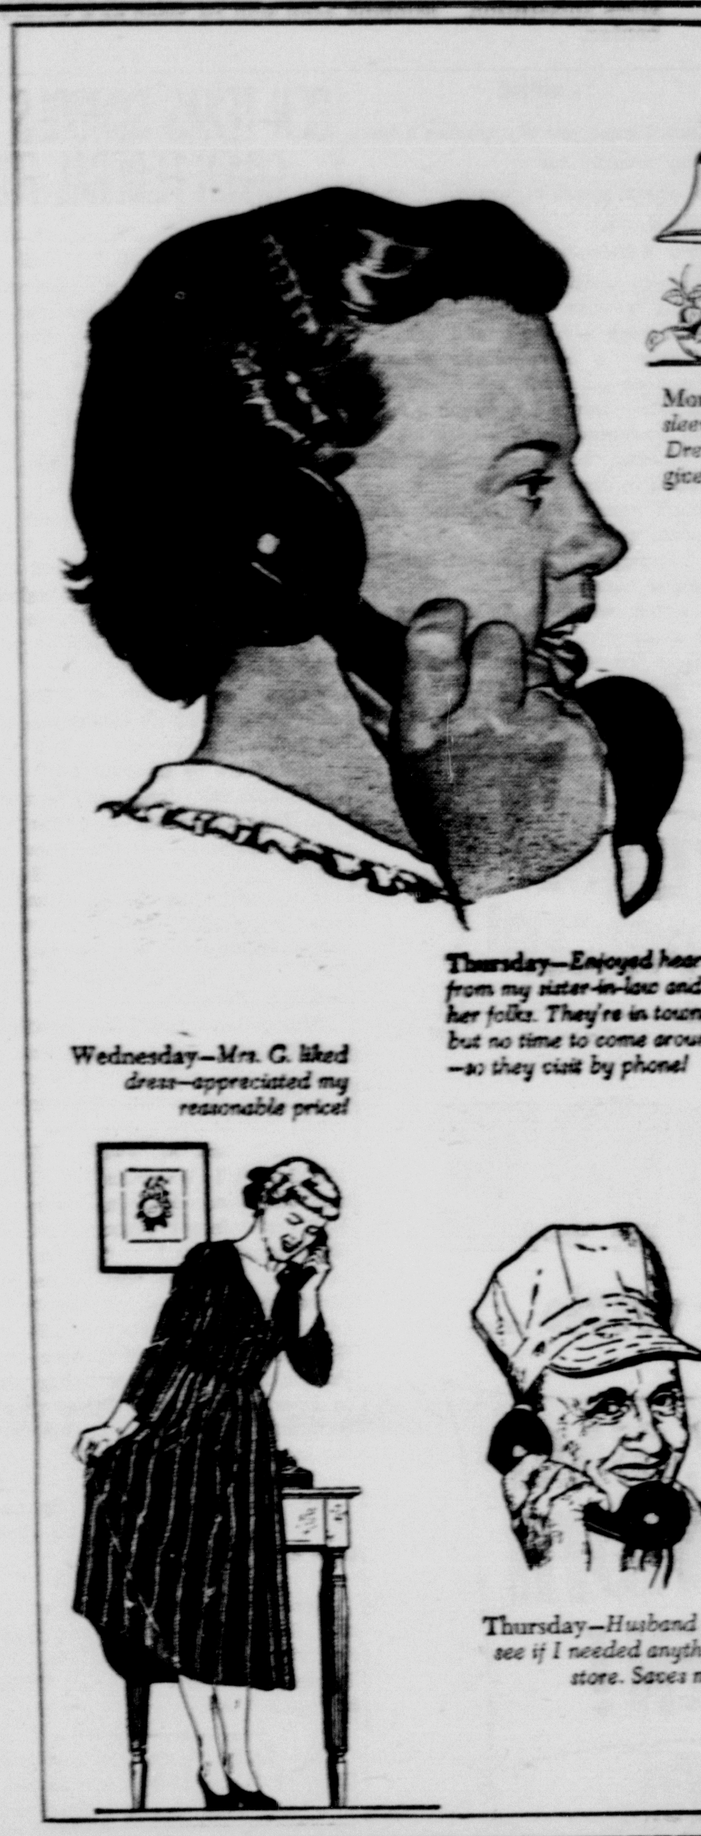
Cpl. M. L. Washington Stationed at Yokohama

Cpl. Marcell L. Washington, 556th Transportation Truck Company, has been found qualified in the military occupational specialty of heavy truck driver. Acquired largely through his army training and experience, this qualification will aid Corporal Washington to obtain advancement under the new Career Plan which is to govern all promotions in enlisted and warrant grades.

Stationed in Yokohama, Japan's major port city and seat of the headquarters of the Eighth Army, Corporal Washington is filling an essential job with the Army's Occupational Forces. To occupy his leisure hours, he has access to theaters, clubs, libraries, evening classes, a gymnasium, bowling alleys, volley ball and tennis courts, a golf course, as well as the picturesque scenery of this ancient country.

Entering the Army in June 1948, he arrived in Japan in January 1948. He is the son of Simon Flemings, Route 3, Rockdale.

Rev. Wendell Carr, pastor of the First Christian Church here is attending the Christian State Convention in San Antonio this week. He plans to return the last of the week.



Monday—*Forgot to ask Goldie about sleeves in dress I'm making for her. Dressmaking is just a side line, but it gives me a little "pin money"!*

Tuesday—*Told Mother I'd come out and get Dad for his trip to the doctor's.*

Wednesday—*Mrs. G. liked dress—appreciated my reasonable price!*

Thursday—*Enjoyed hearing from my sister-in-law and her folks. They're in town, but no time to come around—so they visit by phone!*

Thursday—*Husband called to see if I needed anything from store. Saves me a trip!*

Friday—*Nine-year-old Tommy, my nephew, called. He's so proud of his new bike—wanted to tell me all about it!*

"I'M SO GLAD YOU CALLED!"

'Our telephone is a real family friend," said Mrs. K. L. Davidson recently, after keeping a five-day record of all telephone calls made and received at her home.

Added Mrs. Davidson, a Chelsea, Oklahoma, housewife: "Our telephone not only keeps us 'in touch' with the family and friends, but is a time-saver and step-saver in running the house—helps me in my dressmaking! I was surprised after adding up our calls, to find that our telephone gives us all this service—at an average cost of 2¢ for every call made and received!"

☆ ☆ ☆

Each year brings greater progress in your telephone service: new telephones added—greater improvements made! The result: You can call more people, and they can call you—with quicker, more trouble-free service. It's a real budget value—that *grows* in value every year! Southwestern Bell Telephone Company.

1950 EASTER SEAL SALE DRIVE HAS STARTED

Civic leaders who will direct various phases of the 1950 Easter Seal Drive in Milam County were announced today by Mrs. Earl Moseley, Chairman. The drive is sponsored by the Pleasure and Profit Club.

Those who will head the committees in charge of the direct mail, schools, special gifts, lily parade and publicity divisions of the annual drive are: Mrs. Earl Moseley, Chairman; Mrs. Stanley Swift, Vice Chairman; Mrs. Adolph Winfield, Secretary and Treasurer; Mrs. J. B. White, Publicity Chairman; Mrs. Albert Horstmann and committee in charge of schools and lily parade.

Chief objective of the annual Easter Seal drive is to raise funds for maintaining and increasing services to the community's 137 crippled children and adults.

Outstanding services offered by Milam County Child Welfare Board are: Provision of braces, crutches, special treatment and transportation to and from hospitals and clinics.

The local organization is one of 2,000 affiliated societies which, with the parents society, the National Society for Crippled Children and Adults, Chicago, have sponsored annually for the past 16 years, the nationwide Easter Seal Drive. Funds obtained during the Easter Seal month are the major means of support of the organization's work with the nation's handicapped.

The 1950 campaign will open, Thursday, March 9 and continue to Easter Sunday, April 9.

Mr. and Mrs. Martin Ruby of Waco were guests of Mr. Ruby's mother, Mrs. C. H. Ruby here this week.

Square Dance Jamboree To Be Held In Austin

Plans for a spring Spuare Dance Jamboree to be held at Gregory Gymnasium in Austin April 15 were formulated at a recent meeting of the board of directors of the Mid-Tex Square Dancers' Association. The Jamboree will be conducted with the cooperation of the Austin Recreation Department, the University of Texas and the Austin Square Dance Council.

The evening dancing will begin at 8:00 and continue until 12:00. Raymond Smith's Grey Brothers, outstanding square dance band of Dallas, Texas, has been engaged to furnish the music for the dancers. An afternoon clinic will be held at the Austin Athletic Club from 2:30 to 5:00.

The program will feature outstanding central Texas callers and a number of local callers. Rickey Holden of San Antonio, and Raymond Smith of Dallas, will share honors as masters of ceremonies during the evening.

Admittance to the dance will be limited to members, dancers and spectators, of the Mid-Tex Square Dancers' Association. The activities of this association include the co-sponsoring of dances in cities, towns and communities throughout central Texas, holding clinics for the purpose of introducing new dance figures and offering its experience and personnel in aiding in the forming of dance groups, clubs or associations.

Membership is open to all persons who are interested in helping to continue the functions and purposes of the Association. Those interested in applying for membership or renewing membership in this association may communicate with Mid-Tex Square Dancers' Association, P. O. Box 1980, Austin, Texas.

Mrs. Grady Gill and son, David Lynn, Mrs. Minnie McFarland and Mrs. D. C. York spent Wednesday visiting Mrs. E. R. Hearne and family in Caldwell and Mrs. Grady Goodwin and family in Bryan.

$100,000,000 FOR SCHOOL FUND

State Land Commissioner Bascom Giles signed documents which bring to $100,000,000 the total added to the State Permanent School Fund during his administration. The fund now amounts to $156,000,000 and is being increased a million dollars a month, mainly from oil and gas royalties. During Giles' administration, the University Permanent Fund has climbed from $27,000,000 to almost $100,000,000; and 5,000 veterans have been enabled to acquire farms through the veterans' land program which Giles originated and presented in person to the legislature. He has been vigorous and unswerving in his fight to save the oil-rich tidelands for the Texas public schools against the claim of the Federal Government.

Commissioner Giles brings to the administration of the affairs of the office a knowledge and experience gained during 30 years in the department where he began as a draftsman after graduating from Austin High School. He is past grand master of the Masons of Texas and he raises cotton and cattle at Manor, Travis County, on the farm where he was born, the land having been settled by his great grandfather, a pioneer preacher.

80 PEOPLE KILLED—

80 Persons Killed In History's Worst Air Disaster

CARDIFF, Wales, March 12—A low-flying airliner filled with gay Welsh football fans crashed 150 yards short of its home runway today, killing 80 persons in the worst record disaster in aviation history.

Three persons of the 78 passengers and crew of five stepped out of the shattered wreckage alive.

Relatives and friends who had gathered to welcome the fans watched horror-stricken as the plane nosedived into the field scattering mangled bodies and luggage.

The four-engined Avro Tudor plummeted to earth 15 yards from the nearest house in the tiny hamlet of Sigginstone. It came down so sharply there were no skidmarks on the ground. Amazingly, it did not explode or burn.

The aircraft was just 30 seconds away from its destination at Llaundow Airstrip—a wartime base which has been reduced to reserve status and is now headquarters of an auxiliary air squadron. The strip is just outside Cardiff.

The pilot of the ill-fated craft was Captain Dennis J. Parsons, 25, who was decorated by King George VI last year for his part in the Berlin airlift.

The grass for 50 yards around the wreck was soaked with gasoline and a special fire guard was posted.

The bodies of the pilot and some passengers were caught in the wreckage. Huge jacks were used to lift the plane and remove them.

A coroner's inquest was ordered for tomorrow to speed identification.

Lord Pakenham, Minister of Civil Aviation, and technical experts arrived tonight to begin an investigation.

RAF Air Vice Marshal Bennett told reporters at the scene that the wrecked plans had flown 1,400 hours without the slightest accident.

He said it held the record for the best achievement on the Berlin Airlift, having flown more hours on that mission than any other plane—British or American.

Mr. and Mrs. P. A. Wenck of Bryan and Mrs. Leona Waizel of Cameron accompanied Mrs. Palmer Eickenhorst to New Orleans, Louisiana last week where she took a boat for Panama to visit in the home of her son and family for several months.

In Mobilgas Grand Canyon Economy Run...

STUDEBAKER WINS AGAIN!

Studebaker Land Cruiser with overdrive wins Class E Award—averaging 24.887 miles per gallon of gasoline and making 55.6855 ton miles per gallon!

Over $1 Billion In State Till

The State Treasury has purshed over the billion-dollar mark, it was announced.

State Treasurer Jesse James said the balance sheet as of Feb. 28 showed a total of $1,029,230,235 in the Treasury.

Of the total, over 60 per cent is held in the department's underground vault in the Capitol.

However, the State Treasurer's report did not mean that the State was in good financial condition. State Comptroller Robert S. Calvert has forecast an anticipated deficit of $26,000,000 for the State by Sept. 1, 1951.

James' report showed that total assets of the State have tripled in less than 10 years. In 1941 the total came to only $340,000,000.

One of the biggest increases was shown in the permanent school fund, which rose over that period from $59,000,000 to its present $135,000,000 The permanent university fund also increased from $29,000,000 to $80,000,000.

S. A. COTTLE IMPROVING

S. A. Cottle, owner of the Milam Hotel, who suffered a slight stroke around noon Friday is improving in St. Edward Hospital .

Friends will be glad to know that his condition is not serious and he should be able to return to the Hotel within a few days.

Mrs. India Stidham has returned from a pleasant visit with her son and family, Mr. and Mrs. Sid Stidham of Houston. While in Houston Mrs. Stidham enjoyed meeting her sixth great garndchild, Susie Jean Walters the daughter of Mr. and Mrs. Jack Walters of Houston. Mrs. Jack Walters will be remembered here as the former Charlotte Stidham.

Mr. and Mrs. Charles Knipp and Mr. and Mrs. Sam Kestenbaum attended the grocery convention in San Antonio Sunday, Monday and Tuesday of this week.

Among out-of-town guests who attended the Caramic showing at the home of Mrs. Dewey McElwrath last week were: mesdames Homer Plentl, Jack Pamplin and Durwood Ray all of Killeen, and Mrs. Norma Wilson and Mrs. Roger Blakney of Kerrville.

PRIZE HEREFORD SOLD

Pictured above are Miss Ann Brock of Cameron and the Hereford calf she showed at the San Antonio Fat Stock Show recently. Shown with her are her father, Jesse Brock, center and B. B. McGimsey, vice president and manager of Pearl Brewing Corporation who purchased the animal for 50c per pound when sold at the arena at the show. The calf weighed 732 pounds and placed 12th in the light weight class.

Miss Brock is the only girl in the Vocational Agriculture class at Yoe High School, at Cameron. The animal came from the Monroe Hereford Farm at Cameron, Miss Brock was assisted by Dana Monroe, J. D. Moore, Milam County Agent and Leroy Thompson, Vocational Agriculture Instructor. Miss Brock cannot be a member of the Future Farmers of America nor is she allowed to show with club groups but must compete with professional showmen.

Two Scholarships Offered Leading 4-H Club Girls

Two outstanding Texas 4-H club girls will annually have a chance to attend college on scholarships provided by the Texas Home Demonstration association, if plans made at the association's recent board meeting are approved.

A recommendation was approved to raise the Maggie W. Barry Scholarship to $500 per year and in addition, the board voted to present to club women plans for the creation of another scholarship of equal value. The second to be known as the Helen H. Swift scholarship.

The recommendation was introduced by Mrs. B. M. Harris, Plainview, chairman of the state 4-H committee of the association. Final action will be taken on the scholarship proposal during the 1950 state meeting which is to be held in Big Spring in August.

Odd Fellows, Rebekahs Plan For Convention

Dallas Odd Fellows and Rebekahs Saturday were laying plans to entertain the annual gathering of both the lodge and assembly for the first time since 1943.

It will be the 110th annual session of the IOOF and the fifty-sixth annual session of the Texas assembly that will be attended by an estimated 3,000 representatives and guests March 19-22.

O. A. Benthul is local chairman and Miss Jennie Bain is chairman of arrangements. Odd Fellows will have Hotel Adolphus for headquarters and the Rebekahs will have headquarters at the Baker Hotel. C. M. McLaughlin of Tyler, grand master of the grand lodge, and Mrs. Bessie Carter of San Angelo, president of the Rebekah Assembly of Texas, will preside at sessions.

Chief visitor will be State Supreme Court Justice Edward M. Sharpe of Bay City, Mich., sovereign grand master of all Odd Fellows.

Also present for the IOOF sessions will be Edward G. Ludvigsen of Baltimore, Md., sovereign grand secretary; Leo Pilz of Clarksville, Calif., general commanding; Miss Ethel Smith of Salt Lake City, Utah, vice-president of the Association of Rebekah Assemblies, and guests from Oklahoma, Arkansas, Arizona, New Mexico, Louisiana, Iowa and Kansas.

Registration will begin at 2 p. m. Saturday, March 18. Grand Master Sharpe will address a joint meeting of the lodge and assembly Monday morning. Officers will be elected in the afternoon.

House Approves Postal Pay Raises

WASHINGTON, March 8—Automatic pay raises for an estimated 120,000 World War II veterans in the postal service were voted Wednesday by the House.

The estimated overall cost of the bill, passed without a roll call vote, was $163,000,000, spread over eight years.

The bill goes back to the Senate, which had passed a similar measure last August without debate .

The Southwestern University A'-Cappela Choir, a forty-voice organization under the direction of Mr. John D. Richards, will be presented in concert at First Methodist Church on Sunday, March 19 beginning at 3 p. m., according to an announcement by the pastor, Rev. R. L. Lemons.

The Southwestern Choir has merited wide-spread recognition for its excellent rendition of works ranging from the great anthems of the sixteenth century to contemporary arrangements and spirituals. The organization has been in wide demand for church programs and concerts through Texas for the past three years, and in announcing the forthcoming concert at Cameron, it was pointed out by Mr. Lemons that an opportunity is afforded local people to hear an inspiring concert by these talented young people.

Featured in the concert to be held here will be the anthem, "And With His Stripes We Are Healed", based on Isaiah 53, by Will Foster. Mr. Foster, well-known Texas organist and choral conductor, composed this anthem while he was organist and director at First Methodist Church in Fort Worth. The work, recently published, has been dedicated to Southwestern's late president, J. N. R. Score. Featured soloists in this selection are Miss Gloria Chamberlain, Soprano, and Henry Holloway, baritone.

HUSH A. THOMAS—
(Continued from page one)

development in agriculture and became a large land owner. In all his active business life he cherished the traditions that spring from the soil and was always pleased to be known as a farmer. Mr. Thomas in addition to his store, had for many years been a director in Citizens National Bank.

Mr. Thomas in addition to his business affairs found time to become a part of the moving economic and political scene about him. Possessing extra ordinary intellectual qualities and keen understanding of State and world affairs he was in reality widely celebrated for his observations. He read much therefore he knew much and friends in all walks of life who had found inspiration in his viewpoints will remember him as a moulder of thought. It will not be easy for those who know him best to bear the loss in these lonesome latter years.

Typifying the bereavement heard upon every hand when news of his death reached the city early Friday a friend said, "I think Edwin Markham, the poet, expressed it best when he said, "When he died it was like a giant tree falling and on looking up again you saw it had left a lonesome place against the sky".

Mr. Thomas was married to Miss Lilla Smith, April 5, 1912, daughter of the late Mr. and Mrs. Hilliard Smith early day pioneers. Mrs. Thomas is a sister of Oxsheer Smith, widely known financier and president of Citizen National Bank. Mr. and Mrs. Thomas are the parents of two children, one son and one daughter as follows: Hilliard S. Thomas, vice-president of Citizens National Bank and Mrs. Earl Ford of Corpus Christi. Surviving also are his mother, Mrs. George A. Thomas widow of the pioneer George A. Thomas who resides in Cameron and one sister, Mrs. Albert Triggs also of Cameron.

Miss Clara Thomas, a cousin is among the surviving relatives and lives in the George A. Thomas home here .

In addition a number of nieces and nephews survive.

In recent years Mr. and Mrs. Thomas acquired their palatial home in the Country Club grounds near the lake and there at 3:00 o'clock Saturday afternoon, March 11 funeral services will be held.

Interment will be made in Oak Hill cemetery with the Marek-Burns Funeral Home directing arrangements.

Influenza Now On Decrease

AUSTIN, March 14—Influenza is on the decrease, although cases are scattered throughout Texas, the State health officer said today.

Dr. George W. Cox, head of the State Department of Health, said figures for the past week have not been compiled, but he believed there was "nothing serious" about the present flu situation.

A heavy incidence of the respiratory disease has prevailed in previous weeks, with 10,738 reported the week ending March 4.

Studebaker Corp. Notes Peak Profit

Studebaker Corporation reported it made a record net profit of $27,563,876 last year and also broke previous sales and production marks.

Sales in 1949 were $473,119,000, a 23 per cent increase over 1948's $383,644,524. The company assembled 239,000 passenger cars and 64,971 trucks last year, compared with 166,755 and 67,982 the year before.

The record profit, equal to $11.70 a share on 2,355,460 shares of common stock outstanding, was nearly double the $19,144,972 earned in 1948.

H. S. Vance, chairman and president, told stockholders the ratio of net income to sales was 5,83 per cent The ratio was 4.98 per cent in 1948, he said.

Vance warned that "The upward trend in our profit margin will be reversed this year."

"Our schedule for the first quarter calls for assembly of a greater number of passenger cars and trucks than in any previous three-month period, and 30 per cent more than in the initial quarter of 1949," he said.

As of Dec. 31, Vance said, Studebaker's working capital amounted to $56,535,564. The comparable figure a year ago was $39,109,477. Current corporation assets totaled $103,014,085 and current liabilities $46, 478,521.

John W. Hairston who has been confined to Newton Memorial Hospital for the past several days with the flu is improving and hopes to be able to return to his home soon.

RED CROSS WORKERS ARE MAKING PROGRESS

Albert Collins, Chairman of Special Gift Subscriptions for the Red Cross Drive reports that letters have been sent out soliciting special gifts for the drive and says that some have already responded.

Narvie Caperton, City Chairman of Fund Raising reports that his workers will go out on the 15th of March and contact each and every individual in Cameron. His workers for the downtown area are as follows: A. R. Maddox, J. C. Andres, Stanley Swift, Ray Burke, Woodrow Lowe, A. W. McCullin, Henry Siebman, Richard Bush, L. W. Smith, Geo. Bowman, Dana Kestenbaum, Henry Patillo, Milton Schiller, Earl Curtis, Leo Fuchs and Albert Matula. The VFW Auxiliary are going to be asked to take the responsibility of providing workers for the residential area.

All will be asked to give to a worthy cause. The Red Cross has done much and will do more with your help. When a worker calls on you, give him your full cooperation. He is giving his services and time away from hs work to help a worthy cause. Show him your appreciation for his work by donating to the Red Cross when he contacts you.

Census Takers Will Count Just About Everything

How to count everything on Central Texas farms—from beehives to eggs—was being studied yesterday by 13 crew leaders who will direct the rural enumerators in the forthcoming decennial census beginning April 1.

George Gray of Brownwood, a census specialist trained to make specialists out of crew leaders, opened the training school Wednesday morning in Brazos Room of Roosevelt Hotel.

Rural enumerators in the 1950 census will list on their tally sheets the men, women and children in the rural areas of McLennan, Bell, Falls, Coryell, Milam and Bosque Counties. They also will list the acres on each farm, buildings, equipment, livestock, crops, any irrigation and drainage information and just about everything else connected with farming.

The crew leaders' job is to see that the enumerators don't skip anything or anybody and get through as quickly as possible.

Five urban area crew leaders and a reserve leader are to join the training school this morning. All 19 persons will continue their training under Gray's direction Friday, Saturday, Monday and Tuesday.

Public Warned About Typhoid Fever Season

Dr. Geo. W. Cox, State Health Officer, says that the season of the year when typhoid fever is most prevalent will soon be here and urges everyone to clean up their premises to eliminate flies and other insects. A town is only as clean as the individual citizens and public health should be everyone's concern.

The typhoid germ travels from an infected person to the well person; this is generally accomplished by water, milk, flies, fingers, or food. Every case is contracted by way of the mouth and digestive system.

A carrier is a person who has had typhoid fever at some time and who even after recovery carried the germs of the disease in the urine and discharge of the bowels. Carriers who are careless in their personal habits are likely to infect any food they handle with unwashed hands. Some of the most serious and far-reaching outbreaks of the disease have been caused by drinking milk or eating foods that have been handled by carriers. Persons may be carriers without knowing it.

Typhoid fever is unnecesary and preventable. Every case is due either to community negligence or to the carelessness of some individual. Persons planning a vacation or trip where sanitation may not be rigidly enforced should protect themselves against this disease by being immunized. Its prevention is accomplished by the enforcement of public health measures to protect food, milk, and water supplies, and by immunization. The purity of water, milk, or food cannot be judged by looking at it, so the best thing to do is to play safe and have your physician protect you.

DAUGHTER ARRIVES

Christy Clark, seven pound and 15 ounce daughter was born to Mr. and Mrs. R. M. Clark of San Gabriel, Thursday night, March 9, 1950 at Newton Memorial Hospital. The Clarks have a son, Forrest, who is six years old. Mrs. Clark is the former Wanda Lou Allen, daughter of Mr. and Mrs. Homer Allen of Cameron.

Specialty Shop Scene Of Seasons Style Show

Teen agers, students of the Homemaking class of Yoe High School made interesting models in a style show at the Specialty Shop Tuesday morning.

The models were: Misses Nancy Terry, Charlotte Collins, Jo Ann Gibson, Barbara Weems, Eloise McGoldrick, Claudell Robinson, Betty Jean Stevens, Eoperanza Alvarez, Ann Brock, and Kay McLane.

The theme of the show was, "It's already Spring Time and Easter Is Not Far Away". Good old American colors in Red, White and Blue were used in modeling suits for Easter, which featured a white butcher linen with Red, White and Blue sailor collar. Nylon is also an interesting fabric and also very popular this season, since it laundries and dries so fast.

Seasons accessories go a long way to complete the ensemble and in many ways with a flower here and there. Sunbacks with lovable jackets were modeled as the easy going casuals that are perfect for Sunday or sport wear.

Also modeled during the show were charming three piece suits and dresses featured in cool crisp Butcher Linen and other fashionable materials made up in stunning color combinations.

The perfect thing for sport wear was shown in zipper back shorts with reep pockets with attractive T shirts. Also shown in an array of colors were the new length petal pushers for leisure hours and picnicing.

At the close of the program two names were drawn and the following two girls received prizes: Misses Patsy Gill and Emily Weathers.

Mrs. Agnes Lowe has returned from a pleasant week end visit with her daughter, Mr. and Mrs. Clyde Sheffield and daughter in Beaumont.

Mr. and Mrs. Steve Skrok of Buckholts are the happy parents of a son, David Ray born March 3, 1950 at St. Edward Hospital. The mother is the former Miss Freddy Biskup.

HOT DEBATE FLARES ON COTTON QUOTAS

WASHINGTON, March 8—Sharp differences over the cotton acreage control program broke out at a House Agriculture Sub-committee hearing on proposed changes in the law.

One witness after another urged amendments to increase allotments to individual farmers.

A half dozen growers from scattered parts of Texas were among those who argued the crop control program is a severe hardship on many farmers. Similar views were expressed by farmer spokesmen from Florida and Arkansas.

Members of the committee, led by Chairman Pace, Democrat of Georgia, countered that continued boosting of production quotas would wreck the price support program.

A. L. Hartzog, speaking for farmers in the Texas Panhandle, suggested the law should be changed so no allotment would be less than 60 per cent of the 1942 figure.

Clarkson HD Club Met With Mrs. Wimberly

The Clarkson Home Demonstration Club met with Mrs. John Wimberly at her home the past Thursday, March 2. Mrs. Rex Mitchell was a guest for the meeting.

The Wimberly home was beautifully decorated with pot flowers.

Mrs. Emil Skupin, President presided with Mrs. John Wimberly directing the recreation. Mrs. Frank Rogers won the prize.

A motion was moved and accepted that the Secretary to keep a copy of Messenger magazine.

Mrs. Chester Rogers, Council delegate gave her report stating that each Club in Milam County headed by the president and council delegate to meet with the County Commissioner Court and the District Agent of the Eextension Service of A&M College on Monday, March 13 to help secure a Home Demonstration Agent.

Mrs. Chester Rogers presented the program demonstration "Yarn Weaving Loom". Many useful attractive and inexpensive articles such as place mats using solid color or colors to blend with your color scheme proved interesting. In weaving, Mrs. Rogers gave the steps to be considered.

B. & P. Women's Club Hold Regular Meeting

The Business and Professional Women's Club met in regular session on Tuesday night, March 8. This was program night for the B & P W Club and the 15 members present entertained about 20 guests, members of ladie's organizations throughout the city and Bill Arthur, L. G. Smith, City Chairman of TB X-ray Surveys and D. S. Wimberly of the local Health Unit.

Mrs. Bonnie Donovan and Miss Ann Stallworth were hostesses for the evening and invited all the members and guests into the dining room where cake and coffee were served.

Mr. Arthur showed two very instructive films on the TB-Xray work and Mr. Smith and Mr. Wimberly gave short discussions regarding the TB X-ray work and explained the duties of the various ladies organizations who have been assigned days to work during the time the Unit is in Cameron. Mrs. R. L. Terry and the Business and Professional Women's Club have charge of publicity for the survey.

Much work has been done and much is yet to be done, but Mr. Smith reports that splendid cooperation has been shown by the clubs in the city thus far. All of the ladies organizations in the city have been given full responsibility for hostess and clerical duties during the time the unit is in Cameron on March 17, 18, 21, 22, 23, 24 and 25.

Mrs. W. W. Balhorn Hostess To "42" Club

Members of the 42 Leisure Club and two visitors, mesdames Ralph Michalka and Leo Hollas met at the home of Mrs. W. W. Balhorn Thursday, March 9 for a social game of "42".

A green motif was carried out in the keeping with St. Patrick Day.

Mrs. Bergum, vice president presided over the business session in the absence of the president.

Mrs. August Kunz received the high score and Mrs. Henry McLane second high, Mrs. Slama won 84 while tablecuts fell to Mrs. E. O. Schiller, Mrs. John Matyastik and Mrs. Henry Dakel.

A dainty refreshment course of Jello topped with cream with Ritz, muffins and coffee were served.

St. James Guild Holds Meeting

The St. James Women's Guild of Vogelsang met Sunday afternoon, March 12 at the church with mesdames, Hugo Miller and W. E. Kosel as hostesses.

The Guild was opened with the president, Mrs. John Matyastik in charge, assisted by the program chairman, Mrs. Fred Anderson. Mrs. Bill Becker gave the meditation, "The Golden Thread of Prayer".

Reports were given by the Chairman's of membership, Mrs. Arnold Juergens, Mrs. Robert Baring and Mrs. Fred Anderson.

A motion was accepted that the Guild sponsor a "42" party on April 21.

A report was given that the World's Day of Prayer offering amounted to $15.86.

Tom Whites of Temple visited in the home of Mrs. C. H. Ruby this week.

Mrs. Leland Green and Mrs. Howard Baskin shopped in Waco the past Monday.

Miss Annette Price Clarence Hertenberger Married Sunday

Annette Price, daughter of Mr. and Mrs. Audrey Price became the bride of Clarence Hertenberger, son of Mr. and Mrs. Rudolph Hertenberger in a ceremony performed by Rev. Percy Corkern, pastor of the First Baptist Church Sunday afternoon at 2:30 p. m.

Small baskets of Picardy Glads were arranged in the church.

The bride given in marriage by her father wore a white slipper satin wedding gown fashioned with a tight bodice and inserted french net yoke outlined with tiny ruffles and self covered buttons closing the back. A veil of illusion fell from a Corona head piece, and she carried white Gladiolias with satin streamers extending from a Bible.

Mrs. Dorothy Abel, sister of the groom atended the bride as Matron of honor and wore a soft yellow gown with a lavender Carnation corsage.

The groom was attended by Johnnie Vybiral and Ed Rozner.

Mrs. Price the bride's mother was attired in a grey street length dress with a pink Carnation corsage and the groom's mother, Mrs. Abel wore a green street length dress and her corsage was of pink Carnations.

Following the ceremony a reception was held at the home of Mrs. Dorothy Abel.

Mrs. Hertenberger is a graduate of Yoe High School and has held positions with Charlie Smith Attorney and the Cameron City Hall, and before her marriage was employed with the Hornung Brothers.

The groom holds a position with the Santa Fe in Brady where they plan to make their home.

For going away attire the bride chose a brown suit with matching accessories.

Miss Georgia Zawadzke Joe Posvar Married

Marriage vows for Miss Georgia Zawadzke, daughter of Mr. and Mrs. Joe O. Zawadzke of Buckholts, and Joe Lee Posvar, son of Mr. and Mrs. Louis A. Posvar of Cyclone, were read reecntly at the St. Monica's Catholic church in Cameron.

Rev. George J. Duda, pastor, read the ceremony before an altar decorated with white stock and a background of greenery.

The ceremony began with organ music as each of the bridesmaids entered alone and was met by her attendant at the communion rail. Mrs. Hanel sang the wedding mass.

The bride given in marriage by her father, wore a white gown and train fashioned of Chantilly lace over satin with a sweetheart neckline outlined in net and long tapered sleeves.

Her fingertip length veil of illusion was edged in Chantilly lace with seed pearls forming the entire cornet of orange blossoms.

She wore a single strand of pearls, a gift of the bridegroom. For something old, she carried a white handkerchief edged in lace, which was given to her by her grandmother; for something new, she carried a rosary of silver filigree over pearl that was from he rmother; silver twin bracelets were borrowed from Mrs. Ed Kolba; and the something blue completed the traditional motive.

A colonial bouquet of white carnations with streamers and carnations was carried by the bride.

Mrs. Heller wore light blue taffeta and Mrs. Wecheta was dressed in lavender taffeta. Each wore identical picture hats fashioned of the same color and material as their dresses. The bridesmaids carried small colonial bouquets of pink carnations.

Immediately after the ceremony a reception was held at the home of the bride's parents.

The lace-covered table was centered with a three tiered wedding cake decorated with pink rosebuds and topped by a miniature bride and groom under an arch of orange blossoms. Rev. Duda led the invocation. Members of the wedding party were seated at the dining table for serving while the guests were served buffet style.

After the six o'clock dinner a dance was given at the Tom Sefcik Hall at Seaton which honored Mr. and Mrs. Posvar.

For travel Mrs. Posvar chose a tan gabardine suit with darker tan and brown accessories. She wore a gardenia corsage.

The bride is a graduate of Buckholts high school and has been employed as cashier of the Buckholts State bank for several years.

Mr. Posvar graduated from Rogers and entered the army for a year and a half. He graduated from the Central City commercial college in Waco and worked at the First National Bank and the A&W Sales Company there before returning to the Cyclone community where he is now engaged in farming.

The couple plan to make their home in Buckholts.

Mrs. Wimberly Entertains Hoyte Club

Mrs. Hugh Wimberly was hostess to the Hoyte Home Demonstration Club at her home in Milano recently. Eighteen members were present for the all-day meeting and demonstration.

The demonstration on tray and candle making was given by Mrs. Wimberly, who recently returned from a recreation school at Athens.

The following were present for the meeting, Mesdames John McLerran, Antone Hanel, M. A. Hearne, A. W. Rettig, Earl Angell, James Elrod, Narvie Caperton, Frank Hanel, Claudia Muston, Bill Story and daughter and Miss Dottie Hanel of Cameron; Mrs. Joseph Anthis of Rockdale; Mrs. Woods and Mrs. Willie Mae Maddox of Milano and Mrs. Raymond Abbott of Hearne.

A covered dish lunch was served.

CHRISTIAN SCIENCE SERVICES

"Substance" is the subject of the Lesson-Sermon which will be read in all Chuches of Christ, Scientist, on Sunday, March 19.

The Golden Text is: "I know that, whatsoever God doeth, it shall be for ever: nothing can be put to it, nor anything taken from it" (Ecclesiastes 3:14).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "But as it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him" (I Corinthians 2:9).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Matter, with its mortality, cannot be substantial if Spirit is substantial and eternal" (page 278).

Among those from out-of-town attending the funeral of Rush A. Thomas Saturday were: Irvin Clary of New Jersey, former employee of the Citizen's National Bank in Cameron, Mr. and Mrs. Oscar Adams of Dallas, Mrs. Rosa Kemp Adams and brother, L. W. Kemp and his son, Jeff of Houston, Mrs. Lucille Byrom and Mrs. J. M. Dickens also of Houston.

Sunday guests of Mr. and Mrs. I. N. West were Willis Blackwell and children of Wharton.

4-H Girls Learn To Sew And Save

With one eye on spring and the other on their pocketbooks, Texas 4-H Club girls are off to a good start in the 1950 National 4-H Clothing Achievement program. Last year more than 7,900 girls throughout the state took part in the activity.

Interest in the program is always keen because every young lady—whether she's 10 or 20—likes pretty clothes. Local club leaders and Extension agents teach the girls to select attractive paterns, buy good fabrics, and plan a practical wardrobe. Hats, bags and other accessories are designed, too, at a considerable savings.

Evidence that 4-H'ers do acquire a working knowledge and skill in dressmaking is the fact that in 1949 more than two million garments were made by some 591,000 club members. Another important phase of the clothing program is learning how to remodel out-of-date dresses and coats. Many daughters stretch the family budget by making over apparel for younger brothers and sisters.

In addition to these accomplishments, members have a chance to earn recognition for outstanding achievements in clothing work. The Spool Cotton Company, sponsor of the program, provides scholarship awards of $300 each to the 12 top ranking girls in the nation; an all-expense trip to the National 4-H Club Congress in Chicago for State champion; and gold medals for county winners.

The 1949 state award went to Dorothy Mae Kastner, of McDade. County medals were presented to 42 girls.

The program is conducted under the supervision of the Cooperative Extension Service.

Mrs. A. N. Weems. and Mrs. R. M. Haddox of Cameron visited their daughter and sister, Mrs. Martha Fulton who suffered a heart attack at her home in Grand Prairie recently. She is reported improving.

Mrs. Orlett Watson of Clifton was a guest in the home of her parents, Mr. and Mrs. Bob Terry here this week.

STOP THAT ITCHING

If bothered with Eezema, Tetter, Ringworm, Athletes Foot, Prickly Heat, Poison Oak, Itch, Sores on children, Leo Laake Drug Store will sell you a jar of Black Hawk Ointment on a guarantee. Price 60c and $1.00.

JONES PRAIRIE

By MRS. S. S. HICKMAN

Mrs. Carlton Crook honored her husband with a birthday dinner Sunday. Guests for the occasion were Mr. and Mrs. Homer Crook and daughter, Miss Betty Dell and Mrs. J. A. Brand of Cameron, Mr. and Mrs. Douglas Crook and Mrs. Jim White of Rosebud. Mrs. Douglas Crook baked the beautiful white birthday cake. The honoree received many beautiful gifts and thanked each in his charming manner.

Mrs. S. M. Harrell and daughter Mrs. Dick Young left Tuesday for Houston where they will visit Mr. and Mrs. C. W. Neal and Mr. and Mrs. Jim Lester.

Mr. and Mrs. Marvin Hickman spent the week end with her mother, Mrs. M. P. Carrell of Houston.

Billie Fontaine of Beaumont was recent guest of his parents, Mr. and Mrs. R. K. Fontaine.

Mr. and Mrs. Lester Hughes and son, Bill, of Cleburne spent Sunday with her parents, Mr. and Mrs. S. S. Hickman.

Mr. and Mrs. J. H. McNeill spent Friday in Bryan on a business mission.

Mrs. I. R. Glenn is visiting her daughter and family Mr. and Mrs. R. L. Clapp of Carthage.

Mesdames J. A. McKinney, S. M. Harrell, Robert Glenn, S. S. Hickman and Miss Ethel McKinney attended the WMU training school at the First Paptist Church in Cameron Monday.

Richard Jones, student of Southwest Texas State Teachers College in San Marcos visited his parents, Mr. and Mrs. Bailey Jones over the week end.

Hope Jamison, Jr. of Freeport is visiting his grandmother, Mrs. J. A. Jamison.

Mr. and Mrs. A. L. Burnett and Mr. and Mrs. O. T. Canady were Cameron visitors Wednesday.

Mr. and Mrs. Merlin Lester are spending the week in Cameron with her father. Mrs. Harris is visiting her daughter and family, Mr. and Mrs. Buck Price of Houston.

Mr. and Mrs. A. H. Patzke visited their son and family, Mr. and Mrs. Raymond Patzke and Linda of Dallas over the week end.

Shivers Signs Sex Crime Bills

AUSTIN, March 10—Five bills aimed against sex offenders were signed into law by Governor Allan Shivers today.

The laws were enacted by the 51st Legislature during last month's special session.

The acts do these things:

1. make it a felony to "entice a child under 14 to enter any vehicle, room, house, office or other place for immoral purpose.
2. Make the act on indecent exposure before persons under 16 years of age a felony.
3. Redefine what constitutes disturbing the peace, including exposure before persons 16 or older and making it a misdemeanor.
4. Amend previous acts to except from the assault and battery laws those acts which are made a felony with reference to children under 14.
5. Make it a felony to molest children under 14 for immoral purposes.

LIFE

Life is an everlasting struggle to keep money coming in and hair and teeth from coming out. It's just a continuous process of getting used to things we hadn't expected. By the time we become tough enough to take it on the chin, the most of it is over.

Texas Sheriff Mysteriously Shot On Lonely Road

PRESIDO, March 12—Sheriff O. W. (Blackie) Morrow was mysteriously shot and left dying early today on a lonely mountain road north of here.

The sheriff, a husky six-footer, dragged himself into his car and drove a mile toward Presido with blood pouring from a hole in his left chest before he died.

Officers said he might have been shot with his own gun. They could not find it or his handcuffs.

Texas Rangers, highway patrolmen and sheriff's deputies patrolled the rugged Big Bend of Southwest Texas and set up roadblocks. But they had no dea who they were hunting.

Morrow, 43, had been here on official business and was returning to Marfa, the Presidio County seat, shortly after midnight. He was believed to have been driving alone. Apparently he stopped to check a a car he had halted.

Presidio nestles against the Rio Grande on the western edge of the Big Bend.

Two bullets hit Morrow, one grazed his head and the other tearing a hole through his chest and out his back. No bullets could be found for ballistics tests.

The officers said skid marks indicated that Morrow got out of his car to question the occupants of another vehicle and that he apparently was disarmed, then shot.

Mr. and Mrs. P. L. Caperton were guests of their daughter and son-in-law, Mr. and Mrs. David Ansley in Snyder the past week end. They also visited their sons and families, Mr. and Mrs. Ford Caperton and Mr. and Mrs. Jack Caperton.

Mrs. Anna B. Adams is a medical patient in St. Edward Hospital.

BURLINGTON FIRST TO REACH RED CROSS QUOTA

On Friday, March 10, 1950, Burlington went over the top in their quota for the Red Cross Drive, reports Gene Blake, Chairman of Fund Raising for Milam County.

Mrs. Bartle Crennan and Mrs. Roy Lindsey, local chairmen from Burlington, turned in $119,25, their quota being $100.00. They report that some collections have not yet been made and they expect to turn in more. Mr. Frank Mitchell, District Chairman has Burlington in his district.

Burlington deserves much credit for their prompt answer to the call for help from those who will be in need of Red Cross Assistance. Who knows, you may need the help of the Red Cross sometime soon.

Burlington has set an example for Milam County to follow.

BLAME AWAITS FULL CHECK ON HORSE MEAT

Fixing the blame for the distribution of horse meat for human consumption in Texas awaits thorough "checking" on the source and the movement of the meat, state and federal officials said Wednesday .

Dr. W. V. Bradshaw, Fort Worth city health director, who reported Wednesday afternoon that approximately 3,200 pounds of the meat has been impounded, said that preliminary back-tracking on the meat's path indicates that the shipment came from either Kansas City, Mo., or Chicago, or portions from both of the cities.

A Jan. 21 bill of lading for the meat indicates that it arrived frozen in 66 crates and was placed in a cold storage plant before distribution, Dr. Bradshaw said. He explained that thus far it seems that the meat was either first trucked to Dallas and then reshipped to Fort Worth and Houston or trucked directly to the three cities.

As for what has happened to the remainder of the shipment to Fort Worth, which amounted to some 6,000 pounds, apparently it has been eaten, Dr. Bradshaw added.

Land of Fort Worth spent the past week end as guests in the home of her mother, Mrs. E. D. Kelso.

Mr. and Mrs. Bennie Salach of Beaumont are visiting relatives and friends in Cameron this week. They visited in the home of Mr. and Mrs. Ladis Marek Wednesday afternoon.

Junior Smith, with the Lack's store in Beaumont visited his parents and other relatives here over the week-end.

LITTLE RIVER DISTRICT WILL RECEIVE $16,000

The McLennan County Soil Conservation District is scheduled to receive $20,077 as its share for the first year from the State $5,000,000 sail consedvation bill passed recently according to Dave Simmons, chairman of the board of supervisors.

This amount covers the period until August 1950. After that date another allocation will be made as the bill is designed for a two-year period.

This information was learned at a meeting of supervisors of Central Texas soil conservation districts in explaining the details of the bill held at the courthouse Friday.

Other Central Texas soil conservation districts are scheduled to receive the following amounts:

Little River San Gabriel District $16,000.

Taylor District $24,000.

Central Texas District $25,000.

Navarro-Hill District $25,000.

Bosque District $20,000.

Checks are now being written for all districts in Texas, and they should be in the mail within the next 10 days, it was pointed out at the meeting.

Health Letter

The more than 2,000 cases of syphilis and 3,000 cases of gonorrhea reported throughout the State since the first of the year signifies the pressing need for continuing public education in matters of venereal disease, State Health Officer Geo. W. Cox believes.

Cox appealed for state-wide participation in making "Better Health for Texans" a year long program. A "Better Health For Texans Week" was officially designated by Governor Allan Shivers last December.

Cox said the response of the public, the press, radio, motion picture theaters, television, and "other agencies and individuals during the campaign was excellent."

"But," he said, "the continued success in reducing the incident of VD requires the full support of all the public."

The veteran of more than 13 years as State Health Officer said his department was continuing an "intensified" campaign against venereal infections through "all media of mass education—newspapers, radio, feature releases, and talks to luncheon clubs and civic organizations."

"We've even gone into television to carry our VD warning to the people," Cox asserted. He said his division of public health education had recently produced a color film and a motion picture trailer which were available for loan to television stations through local health agencies.

He said any organization desiring informational pamphlets, posters, and prepared speeches on the subject of venereal diseases could get them by writing to the State Department of Health in Austin.

Central Texas Area Will Get Around 67c

The 1950 support price for oats in the Central Texas area will be around 67 cents a bushel, according to rumors among farmers.

No verification has been obtained from any PMA office in Central Texas. Administrative officers have declined to make any direct comment on the price.

Last year's support price was 76 cents a bushel.

Hugh Rooks, Waco PMA official, said a comparison of prices will be made April 15. He added the support price will be somewhere between 60 and 90 per cent of the April 15 average price.

Mr. and Mrs. Wallace Schlemmer of Freeport visited in the home of their grandparents, Mr. and Mrs. Frank Angell Sunday.

Baptists To Relieve Financial Distress Of Two Hospitals

The executive board of the Baptist General Convention of Texas took steps to relieve the financial distress of two of its hospitals.

It voted a $49,000 grant to Baptist Memorial Hospital of San Antonio, owned by the Southern Baptist Convention. The Southern Baptist Convention had offered the hospital $200,000 on condition San Antonio people raise $400,000 to make a $600,000 total needed for expansion purposes.

Board members said San Antonio people fell $49,000 short of being able to raise the $400,000. That amount was advanced today by the BGC executive board. It is not formally a loan—which the board is not authorized to make—but eventually will be repaid, the board said.

The money will be used to build a 100-bed addition to the San Antonio hospital, the board said.

The board voted to help the Valley Medical Center at Harlingen get out of debt on condition A. D. Foreman, of Abilene, a prominent Baptist layman, be given wide authority at the institution.

The resolution regarding the Harlingen hospital read:

"We will assist the hospital in refinancing its loan with the understanding that yearly allocations (from the board) to the medical center be applied to the loan. This is to be done with the provision that A. D. Foreman will be sent to the hospital with an auditor of his choice, that he will have complete authority in financial, administrative, and all other matters of the hospital until these matters have been settled."

The resolution, offered by the finance committee, was unanimously adopted by the board.

Foreman, formerly a Houston real estate man, gave up all private interests recently to devote full time to Baptist affairs, board members said.

Four new board members were named. They are M. W. Wellborn, Gladewater; Presley Hand, Houston; Fred Stumpp of Gainesville and G. B. Bradshaw of Bowie.

The board voted to begin operation of still another institution, an orphanage. The board accepted the offer of an orphanage made by Mr. and Mrs. Louis Henna of Round Rock. The Hennas offered to contribute 110 acres of land at Round Rock and building an orphanage and other buildings needed if the Baptist General Convention of Texas would operate it. Construction on the orphanage, to accommodate 50 children, is to begin immediately.

The board also voted:

1. To allow Baylor Hospital, Dallas to increase its indebtedness by $500,000 to finish construction of an addition to the hospital, to be called the Truett Memorial Building, in honor of the late Dr. George W. Truett.

2. To allow East Texas Baptist College, Marshall, to increase its indebtedness to $300,000 to complete a building program.

The board also voted a resolution asking that no Baptist institution incur any indebtedness beyond 25 per cent of its property valuation.

Beauty Culturists Hold Regular Meeting

Unit 63 of the Texas Association of Accredited Beauty Culturists held their regular meeting at the Rockdale Beauty Shop in Rockdale Monday evening, March 6.

Katherine Ondrej, Fay Kohutek and Irene Lamb gave a report on their trip to the State Beauty and Trade Show in Dallas.

An interesting event of the meeting was the presentation of the Past President's pen to Bernice Schiller.

Following a business meeting, Mr. Tommy Thomas of Conoly Supply Co. of San Antonio showed a movie on hair shaping and styling. He also shaped and styled several coiffures using the French curl cut with curved shears.

Visiting Beautitions were: Mr. Thomas as guest artist; Mrs. Ann Handy, Mrs. Marie Hogan, Mrs. Lydiazalmanek, and Mrs. Lydia Duetsch all of Caldwell; Eloise Franzen, Ann Wheby and Alma Chambers of Taylor; Mrs. Edwin E. Taylor of New Orleans, Louisiana; Agnes B. Cernenka of Granger; Jewel Smalley of Cameron and Pauline Layton of Rockdale.

At the close of the meeting the members of Unit 63 had dinner at the A-1 Cafe.

Richard Jones Serves On College Committee

Work on the "tobacco-chewin', beard-wearin', excitement - packed Frontier Days" is now in full swing at Southwest Texas State Teachers College with Richard Jones of Cameron serving on the high school guest committee.

Set for April 19 and 20 the Frontier Days Festival is a reversion to the days of the pioneers and gun-shootin' days of early Texas.

MILAM COUNTY CHILD WELFARE AID AVAILABLE

If there is a crippled child or a handicapped adult in your family, the Milam County Child Welfare Board wants to know about it.

Mrs. Carl Black, president of the Society, declared today that the services of the Society are available to crippled persons and that the Society is eager to give assistance where it is most needed to bring health and strength to either child or adult who needs aid in the battle for a normal life."

"We shall never feel that we have fulfilled our purpose until we are giving full aid to every crippled child and adult who needs us. This is why we hope to enlarge our funds this year in order to expand our services.

"Funds are being raised during this Easter Seal month from the citizens of this community to help those who are less fortunate. Facilities of our Society are maintained by this community participation in the Easter Seal Drive. We want to see these services extended to as many crippled children as possible who need a crutch or therapeutic treatment as well as adults who need a helping hand to overcome a handicap. We cannot do this, however, unless we have the funds to work with for services to the crippled are expensive services since they require highly trained professional personnel."

Mrs. Black pointed out that all but a small percentage of the funds raised during Easter Seal Drive are used right here in the community, with considerably less than 10 per cent going to the National Society for Crippled Children and Adults, Chicago to finance its program of research and education and a national program to aid the cerebral palsied.

Those in this area who know of crippled persons needing aid are urged to get in touch with Mrs. Carl Black, president Milam County Child Welfare Board, Cameron, for full information.

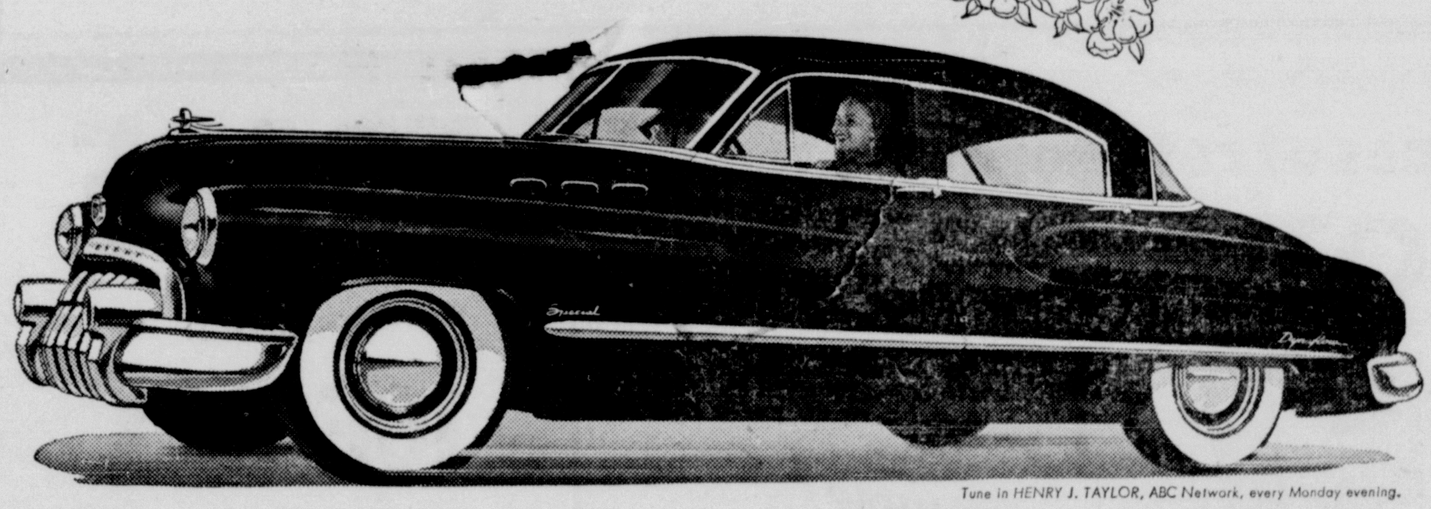
Caramic Showing At Mrs. McElwrath Home

Approximately 100 guests registered at the Caramic showing by Mrs. Dewey McElwrath, at her home last week when she entertained with open house in the afternoon.

Guests from Killeen, Calvert, Hearne, Minerva, Rockdale and Cameron enjoyed the unusual display of colorful caramics made by Mrs. McElwrath. Other decorations in the home were potted Hydrangeas and a centerpiece of purple iris and acacia which was used on the tea table.

Mrs. Norma Wilson and Mrs. Roger Blakney both of Kerrville, Mrs. Dana Monroe and Misses Virginia Graham and Sarah Esslinger assisted Mrs. McElwrath during the afternoon. Mrs. Blakney poured tea which was served with cookies and salted nuts.

NOW IT'S YOUR TURN TO BLOSSOM OUT



Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

You've seen it happen with the family down the street, the friends across town, the folks you went to school with.

They started out, as most folks do, with a car of modest size—and still more modest price.

Maybe they moved themselves up a bit, step by step, to the top-bracket models in that particular price range.

Then they discovered something.

It doesn't cost much more—sometimes no more—to really blossom out in a Buick.

It's not such a long stretch to take command of a great-hearted valve-in-head straight-eight—to move into the room and restfulness and steady going of a Buick—to cloak yourself in styling that's today's height of highway fashions.

You can know the good, satisfying feel of a Buick wheel in your hand—*you* can have the gentleness of soft coil springs on all four wheels—*you* can revel in the handiness of cars that are big in room and big in repute, yet traffic-sized and easy to park and put away.

Maybe—who knows till you inquire?—you can manage the magic silkiness of Dynaflow Drive* in all its 1950 perfection—of a certainty you'll find the model that's twin to your heart's desire among the many choices Buick gives you for 1950.

So why not make this your year to blossom out in a Buick, as so many have before you? Why not find out the dollars-and-cents story of Buick—it even includes some very happy figures on gas economy—from your own Buick dealer?

See him now, will you—and help yourself to some real fun this season!

BUICK ALONE HAS Dynaflow AND WITH IT GOES:

HIGHER-COMPRESSION Fireball valve-in-head power in three engines, five hp ratings. (New F-263 engine in SUPER models.) • **NEW-PATTERN STYLING**, with bumper-guard grilles, taper-through fenders, "double bubble" taillights • **WIDE-ANGLE VISIBILITY**, close-up road view both forward and back • **TRAFFIC-HANDY SIZE**, less over-all length for easier parking and garaging, short turning radius • **EXTRA-WIDE SEATS** cradled between the axles • **SOFT BUICK RIDE**, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • **WIDE ARRAY OF MODELS** with Body by Fisher.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.
